

## **Testimonial – Recent Graduate**

- 2 min
- A testimonial from a recent graduate who practiced in wheelchair service upon graduation and did not have the sufficient skills and knowledge, to be added as text in the video:
  - Name
  - Program or training center
  - Country
- In this testimonial the graduate will describe

What happened when you start working?

- Lack of initial orientation or training
- The difficulties that they are having in helping someone to get a wheelchair
- The difficulties identifying the wheelchair that fits the users' needs
- Not knowing the right accessories
- Not knowing when to find the appropriate equipment

How did you feel?

- Frustrated
- Overwhelmed
- Helpless

What did you do?

- Looking for appropriate resources (material, suppliers) not knowing if it's right, update, appropriate for your context
- Local vs international resources
- Language barriers
- Shocking: this can happen everywhere in the world
  - Lack of awareness
